### **COURSE DESCRIPTION AND OBJECTIVES**

This spring course provides 1<sup>st</sup> year prosthodontic residents the opportunity to teach in preclinical removable partial denture and implant prosthodontic laboratory courses for 2<sup>nd</sup> year dental students. Residents are required to attend associated lectures that precede laboratory activities and to provide hands-on laboratory instruction for the various steps of prosthesis fabrication in the laboratory sessions that follow, under the supervision of experienced dental educators.

**Pre-requisites** – PROS 5067

**Semester credit hours** – 2.0

By the end of this course, each student should be able to:

- plan and organize a dental education lecture.
- effectively interact with students in ways that promote effective learning.
- evaluate student hand skills and employ teaching methods to achieve improvement.
- evaluate laboratory products.
- recognize unproductive student behaviors and demonstrate non-threatening methods used by experienced faculty for student motivation and improvement.

### **COURSE ORGANIZATION**

**The main teaching modalities used in this course include:**

- 1) Modeled lecture planning and organization.
- 2) Paired teaching with experienced educators.
- 3) Independent teaching with evaluation by experienced educators.

**Materials** – No required materials.

**Computer Access** – No required computer access

**Reading Assignments** – No reading assignments

## **ATTENDANCE**

Attendance is mandatory for all sessions unless written permission is given by the Course Director (or student's Program Director) for absence. Sessions cannot be remediated. The course schedule has been planned to avoid conflict with other mandatory activities.

## **TEXTBOOKS**

**Required:** No textbooks are required.

**Recommended:** No textbooks are recommended.

## **GRADING POLICIES AND EXAMINATION PROCEDURES**

Teaching experience be rated at the end of the semester by the PROS 6094/6095 Removable Partial Denture and by the PROS 6058/6059 Implant Prosthodontics preclinical course directors. There are no examinations for the course. Grading will be based on the average assessment of the two course directors on the following measures:

Attendance, Punctuality, Preparedness to Teach, Professional Demeanor, Teaching Effectiveness, Teaching Consistent with Course Design, Perceived Interest, and Overall Teaching.

### **Grading System**

Grading will be numerically assigned to the Overall Teaching Assessment with the following scale:

Outstanding = 100, Good = 90, Acceptable = 80, and Poor = 70

Course grade will be awarded based on the average of the Overall Teaching grades assessed by the preclinical course directors: 95-100 = A, 85-95 = B, 75-85 = C, 74 or less = F.

## **REQUESTS FOR ACCOMODATIONS FOR DISABILITIES**

In accordance with policy 4.2.3, **Request for Accommodation Under the ADA and the ADA Amendments Act of 2008 (ADAAA)**, any student requesting accommodation must submit the appropriate request for accommodation under the American with Disabilities Act (ADA, form 100). to his/her appropriate Associate Dean of their School and a copy to the ADA Coordinator. Additional information may be obtained at <http://uthscsa.edu/eo/request.asp>.

## **ACADEMIC INTEGRITY AND PROFESSIONALISM**

Any student who commits an act of academic dishonesty is subject to discipline as prescribed by the UT System Rules and Regulations of the Board of Regents. Academic dishonesty includes, but is not limited to, cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an exam for another person, signing attendance sheets for another student, and any act designed to give unfair advantage to a student or the attempt to commit such an act. Additional information may be obtained at

<http://catalog.uthscsa.edu/generalinformation/generalacademicpolicies/academicdishonestypolicy/>

## **TITLE IX AT UTHSCSA**

### **Title IX Defined:**

Title of the Education Amendments of 1972 is a federal law that prohibits sex discrimination in education. It reads “no person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.”

### **University of Texas Health Science Center San Antonio’s Commitment:**

University of Texas Health Science Center San Antonio (UTHSCSA) is committed to maintaining a learning environment that is free from discriminatory conduct based on gender. As required by Title IX, UTHSCSA does not discriminate on the basis of sex in its education programs and activities, and it encourages any student, faculty, or staff member who thinks that he or she has been subjected to sex discrimination, sexual harassment (including sexual violence) or sexual misconduct to immediately report the incident to the Title IX Director.

In an emergency, victims of sexual abuse should call 911. For non-emergencies, they may contact UPD at 210-567-2800. Additional information may be obtained at <http://students.uthscsa.edu/titleix/>

## **EMAIL POLICY**

Students are expected to review their UTHCSA email account daily for course updates.

## **USE OF RECORDING DEVICES**

Recording devices may be used with the expressed written consent of the preclinical course director in which the student is teaching.

## **ELECTRONIC DEVICES**

Smart phone use is permissible in a mode that is not disruptive to the class or lab being attended.
