### **COURSE DESCRIPTION AND OBJECTIVES**

The purpose of this elective course is to provide an opportunity for student participation in unique clinical and translational research activities that are highly individualized for each student on the basis of prior experience and research interests.

**Pre-requisites** – Approval by Dr. Linda McManus.

**Semester credit hours** – 1.0 – 3.0 SCH

### **COURSE ORGANIZATION**

**Course format:**

This course will consist of:

- Meeting personally with Dr. Linda McManus for the purpose of planning and monitoring of planned activities
- Completing practicum activities
- Completing practicum forms and submitting the Student Planned Activity Form within the first week of the course start date. Thereafter, completion and submission of the Monthly Student Activities form within the first week of each month throughout the semester.

**Practicum Activities and Expectations for completion of the 48 – 144 contact hours approved by Dr. Linda McManus:**

The translational science training activities will be approved on an individual basis in consultation with Dr. Linda McManus prior to the beginning of the term. Thereafter, the student will prepare a completed monthly activity form and submit it to Dr. McManus within the first week of the proceeding month. Depending on the number of semester credit hours (1-3 SCH) planned, 48 – 144 contact hours of approved translational science training activities are required to fulfill the requirement for this course.

**Materials:**

Based on the requirements of the individual student's planned activities as approved by Dr. Linda McManus.

**Computer Requirements:**

Students are required to have a laptop computer that can connect to and operate over a wireless network.

Software required:

- Microsoft Office Suite (A personal copy of the latest version can be purchased at The UTHSCSA bookstore at student pricing with a student ID)

Laptops with an Apple based Operating System must be able to also operate using a Windows based Operating System. It may be necessary to purchase Windows (student pricing available at The UTHSCSA bookstore with a student ID) and virtualization software.

All laptops will connect to The UTHSCSA network *via* the HSCwave broadcast wireless connection. Authentication for wireless use is based on The UTHSCSA domain username and password.

Verification of proper operation **prior** to the start of class is highly recommended.

Assistance is available thru the IMS Service Desk

- Telephone: (567-7777)
- E-mail ([ims-servicedesk@uthscsa.edu](mailto:ims-servicedesk@uthscsa.edu))

Assistance is also available at the IMS Student Support Center (ALTC 106).

**Reading Assignments** – Reading assignments will be based on the requirements of the individual student's planned activities as approved by Dr. Linda McManus.

**ATTENDANCE**

The student must complete 48 – 144 contact hours of their practicum planned activities and provide a monthly report of activities for approval by Dr. McManus.

**Absence for Religious Observance:**

Students requesting an excused absence for religious holidays should follow the guidelines outlined in the UT Health Science Center Catalog.

**TEXTBOOKS**

Textbooks are not required; unless required for the student's individual planned activities.
