

# CASE PRESENTATIONS

## COURSE SYLLABUS

**Course Name & Number:** Endodontic Case Presentations, ENDO 5080, 5081, 5082, 6083, 6084, 6085, 6086, 6087

**Course Director:** Anibal Diogenes, DDS, MS, Phd

**Course Director Phone Number and E-mail Address:** (210) 450-3602,  
Diogenes@uthscsa.edu

**Goals and Objectives:** The goal of this course is to help the student develop a biologic understanding and scientific basis for the diagnosis and treatment of endodontic cases. This will be accomplished through the presentation of Powerpoint slide shows of these cases, thus a secondary goal is help the student in their organization and presentations skills.

**Method of Evaluating the Student:** Class attendance and participation during discussions related to the presented cases is extremely important to this course and will be used to evaluate the student's performance. It is fully anticipated that the attending students will actively participate in the discussion of the cases. The specific format for the presentations will be provided to the student at the start of this course.

**Grading Policy:** Grades will be determined by individual student performance in the presentation of their cases and participation in class discussions. Letter grades will be given based on a grading scale of 90-100 = A; 80-89 = B; 70-79 = C; 65-69 = D; 0-64 = F.

**Attendance Policy:** Attendance at all course sessions is mandatory. If illness, family emergency or travel prevents attendance, the student will contact the Course Director or Postgraduate Program Secretary with the reason for non-attendance. It is expected that the student will contact the Course Director as soon as possible after the course session is missed to determine the proper method of class makeup.

**Missed Examination Policy:** There are no examinations scheduled for this course.

**Remediation:** Remediation will be determined by the Course Director.

**Required and Recommended Textbooks:** There are no required or recommended textbooks for this course.
