COURSE DESCRIPTION AND OBJECTIVES

IBMS 6090-5III. Molecular Immunology & Microbiology.

Discipline Module Director: Ann Griffith, Ph.D.

Students registered in IBMS 6090-5III should attend an average of 1 seminar per week, or a total of not less than 16 seminars per semester. These 16 seminars must include all seminars sponsored by the Department of Microbiology, Immunology & Molecular Genetics (MIMG) but the student is free to select from seminars sponsored by other departments in order to achieve this level of attendance if an insufficient number are offered by MIMG, or if an unavoidable absence causes the student to miss an MIMG-sponsored seminar. Students must notify the course co-director of IBMS 6090-5III of their attendance at seminars other than those sponsored by MIMG. Students may be excused from one seminar per semester for a valid reason (e.g. illness, death in family, attendance of scientific meetings). The discipline module director should be notified by email of any anticipated absence no later than the day before the seminar and for unanticipated absences within one day after the seminar. Each student will be required to sign an attendance sheet available at each seminar to document attendance.

Pre-requisites –

None

Semester credit hours – 1.5 Credit Hours.

By the end of this course, each student should be able to:

- Write a short summary about the strengths and weaknesses, both in presentation style and content, of each seminar he/she attends.
- Develop critical thinking skills in analyzing scientific data being presented.
- Develop own presentation skills.

TITLE IX AT UTHSCSA

Title IX Defined:

Title of the Education Amendments of 1972 is a federal law that prohibits sex discrimination in education. It reads "no person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."

University of Texas Health Science Center San Antonio's Commitment:

University of Texas Health Science Center San Antonio (UTHSCSA) is committed to maintaining a learning environment that is free from discriminatory conduct based on gender. As required by Title IX, UTHSCSA does not discriminate on the basis of sex in its education programs and activities, and it encourages any student, faculty, or staff member who thinks that he or she has been subjected to sex discrimination, sexual harassment (including sexual violence) or sexual misconduct to immediately report the incident to the Title IX Director.

In an emergency, victims of sexual abuse should call 911. For non-emergencies, they may contact UPD at 210-567-2800. Additional information may be obtained at <http://students.uthscsa.edu/titleix/>

EMAIL POLICY: Every student is issued a University e-mail address and account at the time of enrollment. As a matter of University Policy, communications between students and faculty that occur

using the student's University e-mail address is considered official business. Therefore, **students are expected to check their university email inboxes on a regular basis** so that any announcements, instructions, or information regarding this course will be received in a timely way. Missed communications due to inadequate monitoring of incoming emails on the University's email server will never be a valid excuse for unsatisfactory academic progress

USE OF RECORDING DEVICES: Recording of lectures and other learning activities in this course by any means (e.g., video, audio, etc.) is only permitted if approved by the instructor or required for compliance with Americans with Disabilities Act (ADA).

ELECTRONIC DEVICES: Cell phones must be turned off during all class meetings and exams. Computers and electronic tablets are allowed only for participating in classroom activities (e.g., viewing slides presented in lecture or conference materials). No texting, tweeting, emailing, web-surfing, gaming, or any use of electronic devices that is not directly connected with classroom activities is permitted.
