### COURSE DESCRIPTION AND OBJECTIVES

A course designed to provide graduate students with experience in critical reading of the primary literature, seminar preparation and presentation, data analysis and interpretation, and team-based learning as they relate to Personalized Molecular Medicine.

**Pre-requisites** – None

**Semester credit hours** – 1.0

By the end of this course, each student should be able to:

- Critically comprehend the scientific literature on Molecular Medicine.
- Research literature topics related to Molecular Medicine.
- Effectively present scientific background, rationale, data, and results from the current literature on Molecular Medicine.
- Evaluate peer presentations of scientific papers including scientific background, rationale, data, and results.
- Effectively present their preliminary data, rationale, hypotheses, specific aims, experimental procedures, and scientific results from their current research in Molecular Medicine.

### COURSE ORGANIZATION

**The main teaching modalities used in this course include:**

- 1) Didactic seminars and lectures on specific topics with the purpose of conveying important concepts.
- 2) Team based learning with students researching topics, reading the scientific literature, presenting topics on molecular pathways, and presenting their scientific results for discussion.

**Materials** – Laptop for viewing the lecture notes, for reading scientific papers, and for presentations.

**Reading Assignments** – Any required course materials will be distributed to students via e-mail prior to class periods.

## ATTENDANCE

Attendance and participation are mandatory. One large component of the grading is class participation so if a student misses a class due to sickness, the student needs to inform the instructors and course directors as soon as possible since this may result in an incomplete for the student. Any scheduled absences must be approved by the course director prior to the absence.

## TEXTBOOKS

No required textbooks.

## GRADING POLICIES AND EXAMINATION PROCEDURES

Grades will be based on attendance, class participation, and presentations. The final grade will be based on the summation of the scores for the presentations as well as on class participation and attendance.

### Grading System

A = 90-100%      B = 80-89%      C = 70-79%      F = < 69%

## REQUESTS FOR ACCOMODATIONS FOR DISABILITIES

In accordance with policy 4.2.3, **Request for Accommodation Under the ADA and the ADA Amendments Act of 2008 (ADAAA)**, any student requesting accommodation must submit the appropriate request for accommodation under the American with Disabilities Act (ADA, form 100). to his/her appropriate Associate Dean of their School and a copy to the ADA Coordinator. Additional information may be obtained at <http://uthscsa.edu/eeo/request.asp>.

## ACADEMIC INTEGRITY AND PROFESSIONALISM

Any student who commits an act of academic dishonesty is subject to discipline as prescribed by the UT System Rules and Regulations of the Board of Regents. Academic dishonesty includes, but is not limited to, cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an exam for another person, signing attendance sheets for another student, and any act designed to give unfair advantage to a student or the attempt to commit such an act. Additional information may be obtained at <http://catalog.uthscsa.edu/generalinformation/generalacademicpolicies/academicdishonestypolicy/>

## TITLE IX AT UTHSCSA

### **Title IX Defined:**

Title of the Education Amendments of 1972 is a federal law that prohibits sex discrimination in education. It reads "no person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."

### **University of Texas Health Science Center San Antonio's Commitment:**

University of Texas Health Science Center San Antonio (UTHSCSA) is committed to maintaining a learning environment that is free from discriminatory conduct based on gender. As required by Title IX, UTHSCSA does not discriminate on the basis of sex in its education programs and activities, and it encourages any student, faculty, or staff member who thinks that he or she has been subjected to sex discrimination, sexual harassment (including sexual violence) or sexual misconduct to immediately report the incident to the Title IX Director.

In an emergency, victims of sexual abuse should call 911. For non-emergencies, they may contact UPD at 210-567-2800. Additional information may be obtained at <http://students.uthscsa.edu/titleix/>

## EMAIL POLICY

Course information and instructions will be e-mailed to students. Additionally, students should communicate with the course director via e-mail.

#### **USE OF RECORDING DEVICES**

Recording devices during the lectures are allowed with the permission of each instructor.

#### **ELECTRONIC DEVICES**
